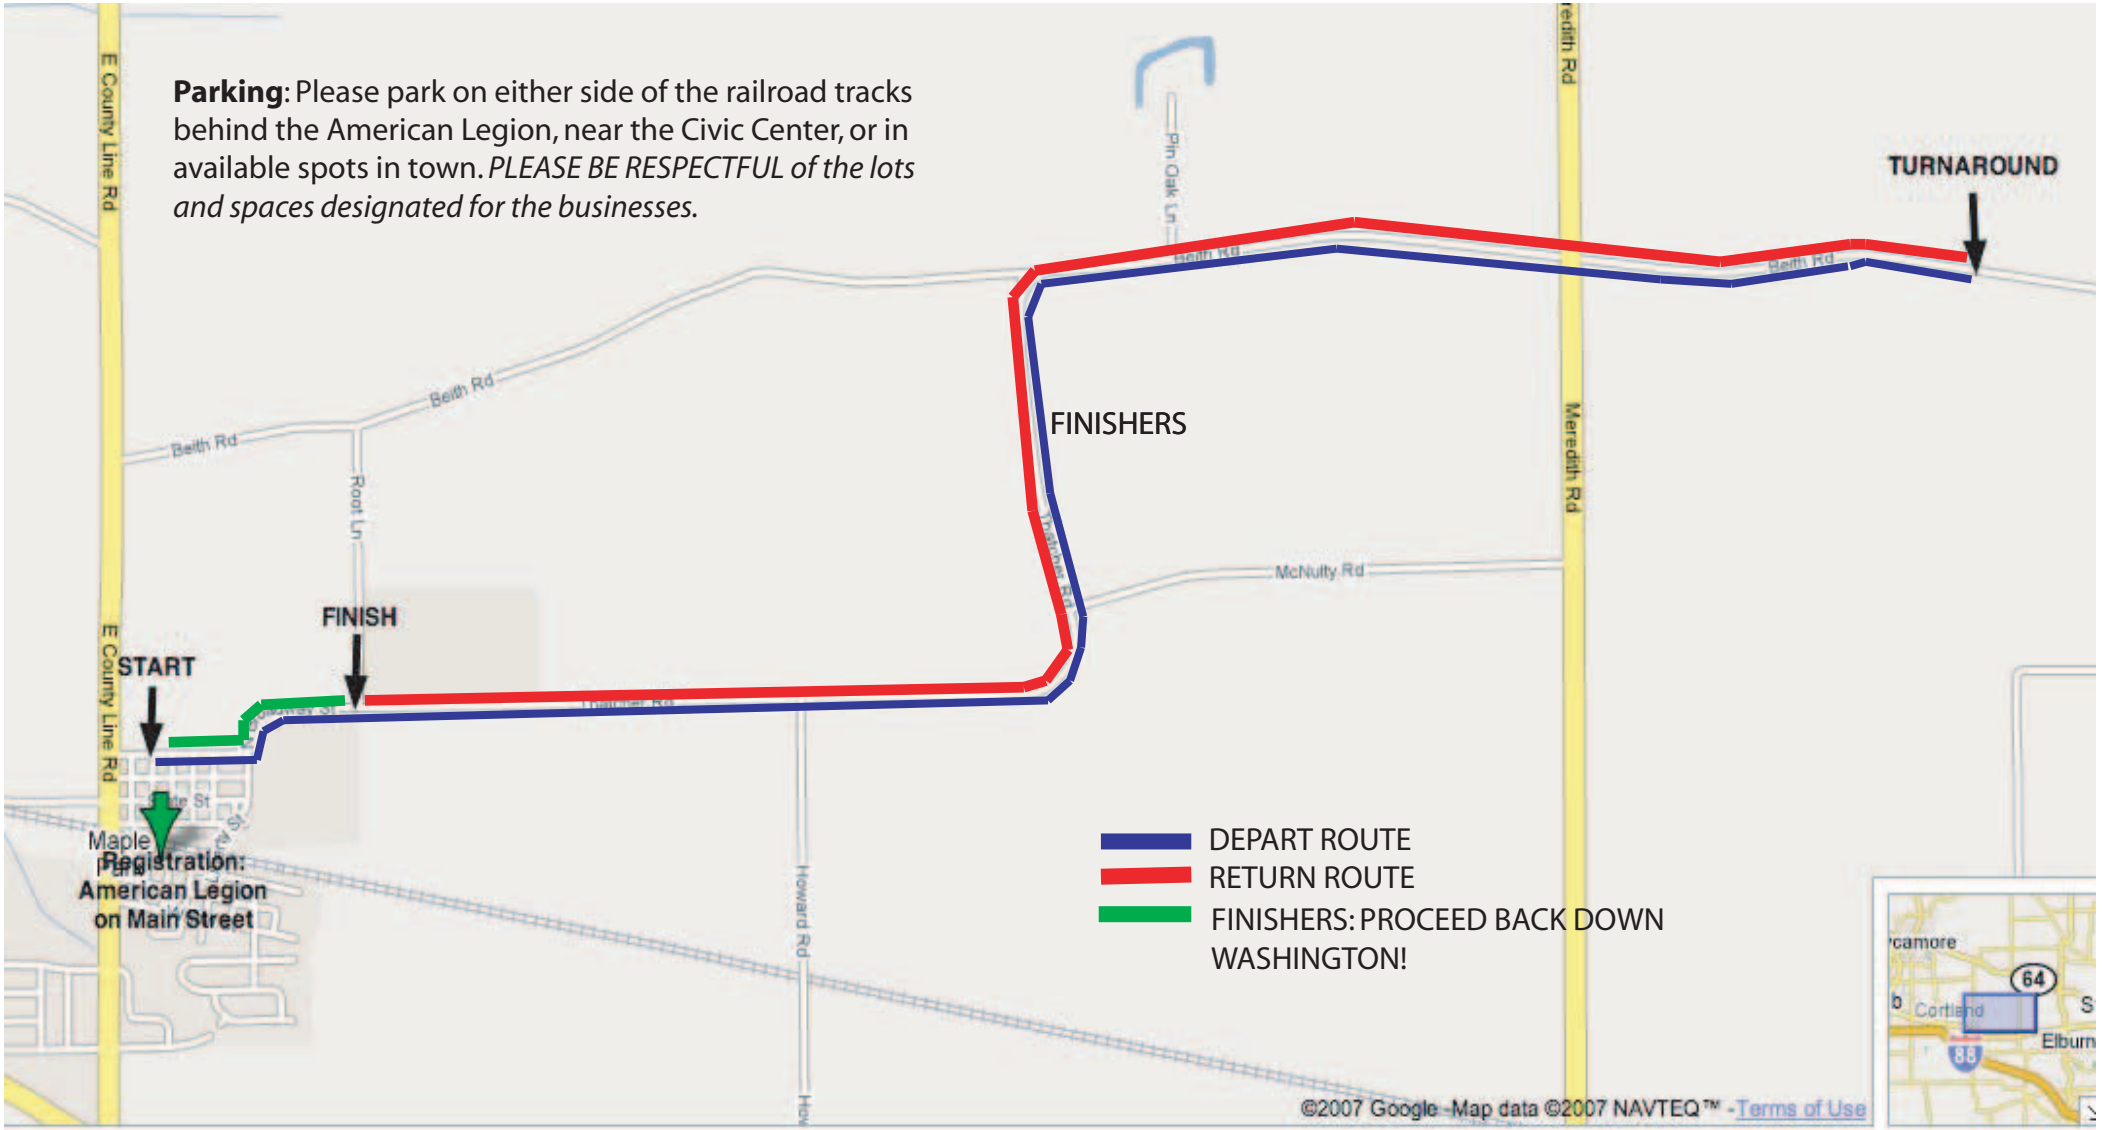
This is a 10 mile course with 1 left-hand turn at 150 yards and just 1 turn around! You can race all out around the curves on the rest of the course! 15 ABD marshals will be on the loop, but THE COURSE IS OPEN TO RESIDENTIAL TRAFFIC so ride heads-up! Riders will depart at 30 second intervals!

WARM-UP: A trainer is recommended, but if you decide to warm-up on the road, riders MUST RIDE SINGLE FILE ON COUNTY LINE ROAD! This is for your safety as traffic moves very quickly on this road!

FINISHERS/COOL-DOWN: The Finish line is on Broadway approximately 1/2 mile East of the start. When you pass the officials table on your right you are done! ALL FINISHERS MUST TAKE A RIGHT AFTER THE CURVE & FUNNEL BACK DOWN WASHINGTON STREET. (starting stretch). A Marshal will be there to remind you.


RESULTS: Results will be posted at registration, and an official will be present for questions. NO RIDERS ARE ALLOWED BACK ON COURSE OR TO RIDE TO THE FINISH AREA. We want to keep the course clear and open for riders still racing!
