## 2004 MID-AMERICA TIME TRIAL SERIES

# **ABD 40 Kilometer** Results

Garden Prairie, IL Sunday, June 13, 2004

Storms blasted through Garden Prairie, IL on Saturday night flooding the fields, creek and Garden Prairie road. By 8 am the flood waters were off the road by inches, the creek bridge held with water a foot below and the race was on schedule. The only debris to remove was a quantity of gravel and sand on the hill to Shattuck Road. The predicted Sunday rain fizzled before the start but the new weather front brought clear skies and good wind to dissipate the mosquitoes. The below Fastest rider awards are for fastest 40K times, but did anyone go over 50 or 60 mph on the finishing stretch?

Some field notes: rider flatted a mile from the finish and lost some minutes riding on carbon fiber rims and hands off the TT bars, rider bonked on way back but finished under an hour, ABD has so many volunteers they assign work shifts, "been there done that" retired racing greyhound watching the races, two under 8 month old babies - one cheering dad - one helping grand Dad start the riders.

Rider quotes of the day: "On my way out to the turn around I saw Mark returning, on my returning from turn around I saw Mark on his second ride to the turn around." "Tara is one of those Iron Women" "Charlie Weather" "What happen to Hood?" "Thanks"
